

Berthing Master

Competitive salary plus benefits

Portishead Marina, part of the boatfolk family of marinas, wish to appoint an additional Berthing Master to work at our 5 Gold Anchor marina here in Portishead.

Working a 12 hour shift pattern covering days and nights, you will be an integral part of a dedicated team providing excellent customer service 24/7, 365 days a year.

Reporting to the Marina Manager, you will be responsible for a wide range of duties including operating the lock, managing vessel movements, dealing with berth holders and visitors, as well as assisting in the boatyard.

To be successful in this role you will need excellent communication skills, a positive attitude, experience in a customer facing role and a good level of computer literacy.

You will need to be able to work confidently and calmly under pressure and without supervision. A full UK driving licence is essential and familiarity with marinas and boatyards would be a distinct advantage.

If you would like to be part of a team delivering excellent customer service and believe you have the appropriate skills and experience, please contact us for an application form and information pack.
