

Boatyard Operative

Competitive Salary plus Benefits

Portishead Marina, part of the boatfolk family of marinas, are looking to recruit a keen, friendly and enthusiastic person to join the team at Portishead.

Based primarily in the boatyard and boat hoist area, the job holder will be actively involved in the lifting and launching of a wide variety of vessels using our 35t Wise Boat Hoist. The boatyard is an expanding part of our business attracting more customers than ever and is set to receive significant investment to increase the range of services we can offer to our customers.

The successful candidate will be fully involved in running boat lifting & launching and the coordination of all yard operations in conjunction with the Boatyard Supervisor & Marina Office.

Knowledge and experience of boat lifting/launching is highly desirable but not essential, candidates with experience of operating plant machinery, forklifts/telehandlers and lifting in general would be preferred.

RYA powerboat Level 2 and a VHF licence would be welcomed but not essential.

Hours are 37.5 a week from Monday -Friday with the possibility of additional hours and occasional weekend cover shifts.

If you would like to be part of a team delivering excellent customer service and believe you have the appropriate skills and experience, please contact us for an application form and information pack.
