## MARINA

### BoatCare Operative (Systems) / Boat Builder / Joiner

Salary £29,000 to £33,000 p.a. DoE - Full Time Role

#### About us:

boatfolk are the leading national UK marina operator with eleven locations around the country. Specialising in the leisure marine and small commercial sector up to 30.0m LOA, we provide mooring and boatyard facilities including a repair and maintenance division (BoatCare) together with marine engineering, yacht brokerage and new boat sales. Our scope of operations also includes our marina in Weymouth Harbour.

We are seeking to grow our BoatCare team with the addition of an experienced operative and are looking for an enthusiastic individual to join our crew to meet growing customer and business demands.

#### Some of the benefits:

- Salary £29,000 to £33,000 p.a. (dependent on experience)
- 21 days' annual leave plus Bank Holidays
- Bonus and pension scheme including a range of other staff benefits

#### Your Role:

Reporting directly to the BoatCare Manager you will be part of the BoatCare team responsible for:

- Working on a wide range of different vessels carrying out various repair works including vessel refits
- Installation of new equipment and upgrading of vessel systems, machinery and deck equipment
- Supporting other specialist skills within the BoatCare team including engineering, painting / finishing and GRP works
- Maintaining a high quality of work using specialist tooling and equipment provided
- Working within a high performing team delivering a wide range of services to a diverse customer base

#### About You:

To be considered for the role of BoatCare Operative, you must be able to demonstrate the following:

- Minimum 5-years' experience of working within skilled trade sector producing high quality finished articles. (City of Guilds or equivalent qualifications required)
- Skilled in parts assembly and installations
- Knowledge of paint systems, adhesives / epoxies and different materials and their applications
- Ability to work to drawings and product installation sheets for a range of different products
- Experienced in machining and use of hand tools.

Previous boat building experience is not essential as opposed to demonstrable skills in equivalent sectors or roles. With an ability to be a problem solver and work as part of a high performing team and a desire to
