

# DEACONS MARINA

**Touch base for all repair and maintenance tasks,  
from Coppercoating and keels to rigging and  
thrusters. With just one call we'll take care of it all.**

Deacons is the hub of our boatcare services, with the ability to lift ashore power and sail up to 14m/15 tonnes for maintenance or storage. It's a centre of excellence for Coppercoat and keel refurbs, while other on-site services include Marine Power engineering, an electrician, rigger, and chandlery.

## Packages

From 1 October, 2020

### Autumn and winter special ashore package

An all-inclusive package with a simple per metre price – just pick your lift date and multiply the cost by your boat length overall. Includes tow from Deacons Marina berth, lift, pressure wash, block-off or cradle, six weeks ashore, launch and tow to a Deacons Marina berth. It isn't possible to combine the autumn and winter packages. If you need longer ashore or a quicker turnaround, talk to us first or look at the yard prices overleaf.

Autumn ashore lift before 1 November	<b>£86.00</b> per metre for six weeks
---	---------------------------------------

Winter ashore lift after 1 November	<b>£90.00</b> per metre for six weeks
--	---------------------------------------

All boatfolk annual berth holders benefit from a 10% discount on the ashore package prices, PLUS extend time ashore for free using the 6 free weeks ashore (before 31 December) or 3 free weeks ashore (from 1 January). Launch before 31st January, 2021.

### Terms & Conditions

Rates are for monohulls up to 14m LOA. Sails must be removed before boats are lifted ashore. Rates are calculated on the length overall in metres, including overhangs. Changes to agreed lift and launch dates or to services quoted will incur additional costs. Our boatyard guidelines and full terms and conditions are available online at [www.boatfolk.co.uk/policies](http://www.boatfolk.co.uk/policies) and from the marina office. Prices include VAT at 20%. Prices are correct at the time of printing. E&OE.
