

PORTLAND

MARINA

Yard Hand / Dry Stack Operatives

Salary £21,250 p.a. Full Time Role

About us:

boatfolk are the leading national UK marina operator with eleven locations around the country.

Specialising in the leisure marine and small commercial sector up to 30.0m LOA, we provide mooring and boatyard facilities including commercial activities such as restaurants through to marine engineering. Our operations also include a state of the art covered Dry Stack facility at Portland Marina offering on-demand, vessel launch and recovery.

Following an internal promotion, we are seeking to recruit and expand our dry stack and boatyard crew and are looking for two enthusiastic individuals to join our team to meet the ongoing growth in our business.

Some of the benefits:

- Salary £21,250 p.a. (dependent on experience)
- 21 days' annual leave plus Bank Holidays
- Bonus and pension scheme including a range of other staff benefits

Your Role:

Reporting directly to the Boatyard Supervisor, you will be part of both the Dry Stack / Yard Hand team responsible for:

- Safe operation of Dry Stack forklift and boatyard lifting equipment for vessels up to 22.0m LOA / 50 tonnes.
- Direct customer liaison in respect of launch and recovery times.
- Assisting with equipment daily inspections and planned maintenance.
- Safe towing of vessels from berths to hoist dock etc. and planning long term storage / hardstanding.
- Working as part of a high performing team delivering a wide range of boatyard and marina related services.

About You:

To be considered for the role of Dry Stack / Yard Hand Operative you must be able to work on a rota including some weekend working and be able to demonstrate:

- proven plant and equipment operational experience – (specialist training will be provided)
- excellent communication and people skills
- a structured approach, including the ability to prioritise and organise own schedules.
- the ability to safely work under pressure whilst meeting customer expectations at peak operational times

PORTLAND
