

HASLAR

MARINA

At Haslar Marina we provide a one-stop shop for all boat repair and maintenance tasks, from showers and keel maintenance to rigging and thrusters.

We can lift, store and launch motorboats (up to 10m) at our powerboat centre. Our team can visit your boat in the marina for work including engine servicing, winch and windlass replacement, gel and GRP repairs, interior finishing and deck hardware. We can help you with onboard tasks large and small, right through to a full refit. Let our experienced engineers and boatbuilders take the faff out of boat ownership - one call and we'll sort it all.
