MARINA

Marina Car Park Notice – Temporary Closure – Sunday 15th May 2022

From its beginnings with coastal lookouts to today's hi-tech national network of coordination centres, from small localised beginnings to international players – one thing has stayed the same for two centuries – Her Majesty's Coastguard seeks to search, to rescue and to save lives.

HM Coastguard is the backbone of our maritime sector and the nation is indebted to its incredible workforce which continues to deliver an exceptional service.

On Sunday 15th May 2022, to celebrate this momentous milestone, a thanksgiving service and a muster of uniformed Coastguard Officers will take place outside Belfast Coastguard at Bregenz House.

You are invited to observe this service and muster.

To help facilitate this parade and service the section of car parking nearest Bregenz House will be **CLOSED** from the afternoon of **Saturday 14th May** through to the afternoon of **Sunday 15th May**.

If you are planning to go cruising over the weekend of **14th/ 15th May** we would request that you do not park in the section of car park that will be closed for this event.

We appreciate your assistance and apologise in advance for any inconvenience caused.

Kevin Baird – Harbour Master (Bangor)

Issued 4th May
