### **Notice to Mariners.**

#### **No 2 of 2022**

#### **Marine Leisure Activity – Bangor Harbour**

There are fantastic opportunities for sport, leisure and recreational activities to take place on the sheltered waters of Bangor Harbour and we want to encourage and support these activities. Of course, the leisure use of Bangor Harbour must be balanced with its role as a commercial harbour.

We encourage all using Bangor Harbour to have mutual respect for each other's needs.

Please be advised that the following activities now take place within Bangor Harbour.

1. Stand Up Paddle Boarding (SUPPING)
2. Kayaking
3. Rowing

All that engage in activity within the Harbour must do so in a responsible manner and must observe the International Regulations for Preventing Collisions at Sea.

All that engage in activity within the Harbour are advised to keep a listening watch on VHF channel 11.

SUPHUN NI operates from Bangor and mariners are advised that Stand Up Paddle Boarding activity takes place regularly within the sheltered waters of Bangor Harbour.

If you are planning a harbour-based event, your organiser must seek permission from the Harbour Master. You will have to provide detailed information including insurance details and submit a complete risk assessment compliant with the Port Marine Safety Code.

Please contact the Marina / Harbour office for further information.
