

PORTLAND MARINA

Touch base for all repair and maintenance tasks,
from Coppercoating and keels to rigging and
thrusters. With just one call we'll take care of it all.

Talk to us if your boat is over 15.5m long – we can lift boats to 22m.
We can also help with mast work, fork lift hire, towing outside of the marina
and a full range of engineering and boat maintenance and repair services.
Our labour rates start at £56 per hour depending upon the service.

Packages

From 1 October, 2020

Autumn and winter special ashore package

An all-inclusive package with a simple per metre price – just pick your lift date and multiply the cost by your boat length overall. Includes tow from Portland Marina berth, lift, pressure wash, block-off or cradle, six weeks ashore, launch and tow to a Portland Marina berth. It isn't possible to combine the autumn and winter packages. If you need longer ashore or a quicker turnaround, talk to us first or look at the yard prices overleaf.

	Up to 7.5m LOA	7.5 to 13.0m LOA	13.0m & Above
Autumn ashore lift before 1 November	£50.00 per metre	£53.00 per metre	£56.00 per metre
Winter ashore lift after 1 November	£59.00 per metre	£63.00 per metre	£65.00 per metre

All boatfolk annual berth holders benefit from a 10% discount on the ashore package prices, PLUS extend time ashore for free using the 6 free weeks ashore (before 31 December) or 3 free weeks ashore (from 1 January). Launch before 31st January, 2021.

Terms & Conditions

Rates are for monohulls up to 22m LOA. Sails must be removed before boats are lifted ashore. Rates are calculated on the length overall in metres, including overhangs. Changes to agreed lift and launch dates or to services quoted will incur additional costs. Our boatyard guidelines and full terms and conditions are available online at www.boatfolk.co.uk/policies and from the marina office. Prices include VAT at 20%. Prices are correct at the time of printing. E&OE.
