

RHU MARINA

We offer comprehensive lifting facilities, an easy-access hoist dock and travel hoist, and capacity for vessels up to 35 tonnes, with a beam of up to 5.2m.

You'll be assisted by our experienced lifting team throughout. Our mobile crane is used to step masts up to 20M and can be hired for engine lifts etc.

Our shore storage area accommodates around 120 boats, stored on cradles, jacks and blocks, with the mast down. Power and water points can be found throughout the hardstanding yard, and cradles are available to hire.
