

ROYAL QUAYS

MARINA

Our boatyard team is fully trained and offers a professional service, whether you require a quick lift and wash for survey, setting down for a quick antifoul and polish, or a winter lay-up.

We have a safe, secure boatyard for lifting boats up to 40 tonnes for repair or storage with our Wise boat hoist and jib crane. Our hardstanding is fully serviced with electricity and water and can accommodate boats of all types and sizes using professional yacht cradles or chocked on blocks and prop stands.
