Payment by instalments shall not absolve the Occupier from liability for all charges incurred during the Licence Agreement.

19 Termination of Licence Agreement

19.1 The Company may terminate the Licence Agreement (without prejudice to any other rights it may have in respect of breaches by the Owner of the terms of the Licence Agreement and/or the Marina rules and regulations) in the following manner in the event of any breach by the Owner of any of the terms of the Licence Agreement:

19.1.1 If the breach is one that is capable of remedy, the Company may serve notice on the Owner specifying the breach and requiring him to remedy the breach within a reasonable time specified by the Company. If the breach is serious, or in the opinion of the Company or a Manager poses an immediate risk or threat to the health, safety or welfare of any person or property, the time specified for remedy may be immediate or extremely short.

19.1.2 If the Owner fails to remedy the breach within the specified time, or if the breach is not capable of remedy, the Company may serve notice on the Owner terminating the Licence Agreement immediately.

19.2 The Company may terminate the Licence Agreement immediately if the Owner sells or otherwise disposes of the Boat.

19.3 The Company reserves the right to terminate the Licence Agreement with immediate effect if the Owner, their guests and/or any other persons using the Boat causes unreasonable interference, nuisance or annoyance with the proper and safe operation of the Marina or breaches any of the behaviour standards set out in this Licence Agreement.

19.4 The Company has the right to terminate the Licence Agreement by giving written notice to the Owner if at any time the Marina is so damaged, impeded or interfered with by force majeure (as defined below) as to render it unlikely that the Company will be able to continue to provide a berth or mooring in accordance with the Licence Agreement. For the purposes of this clause, force majeure means any event or circumstance (whether arising from natural causes, human agency or otherwise) beyond the control of the Company including, but not limited to, weather conditions,

riots, civil commotion, pandemic, government direction, fire or war.

19.5 Where the Licence Agreement is not (i) for a fixed term, or (ii) a liveaboard agreement, either party may terminate the Licence Agreement by serving not less than three months' written notice on the other following the expiry of any specified minimum initial period.

19.6 Upon termination of the Licence Agreement the Owner shall remove the Boat and any other property belonging to him from the Marina immediately. If the Owner fails to remove the Boat and/or such property the Company may (at the Owner's risk, save in respect of loss or damage caused by an act or omission of the Company or its agents) remove the Boat and property from the Marina and locate it elsewhere and/or may exercise its right of sale pursuant to the to the Torts (Interference with Goods) Act 1977 after giving written notice to the Owner. The Owner shall pay any storage removal and all other charges reasonably incurred by the Company in relation to the storage, removal and/or disposal of the Boat and any such property, including alternative berthing fees and legal costs.

19.7 If the Owner fails to remove any Boat from the Marina following the termination of the Licence Agreement, the Company will charge the Owner at the Company's prevailing daily berthing rate for any period during which the Owner leaves the Boat at the Marina.

19.8 Save where the Licence Agreement has been terminated by the Company under clause 19.2 above, refunds of any sums paid by the Owner under the Licence Agreement will only be considered in exceptional and unforeseen personal circumstances.

19.9 The Company is not obliged to offer a new Licence Agreement to any Owner whose Licence Agreement has terminated.

20 Right to Take Photographs and Video Footage

20.1 The Company may from time to time take photography or video that captures scenes on the Marina for promotional purposes. If Owners

or users of the Marina have objections to either themselves or their Boats or Craft being photographed, they should make their objections known to the photographer or the Marina office and the Company will take reasonable steps to avoid their inclusion in any photographing or filming. However, the Company cannot guarantee that they will not be included on an incidental basis.

20.2 The Company operates CCTV Surveillance Cameras in the Marina for security and safety purposes in accordance with the CCTV Code of Practice and the General Data Protection Regulation 2016/679.

20.3 The flying of drones or other unmanned aircraft in or over any part of the Marina is strictly forbidden without the express prior written permission of the Company.

20.4 The Owner must notify the Company in writing, and obtain the written permission of the Company (which the Company may reasonably refuse), prior to installing or using any CCTV equipment on the Boat at the Marina. Any CCTV system used or operated by the Owner on their Boat must not capture any images of people outside the boundaries of the Owner's Boat.

21 Limitation of Liability and Indemnity

21.1 The Owner agrees to indemnify the Company against (i.e. pay for) any loss, damage or costs incurred by, and all claims or proceedings instituted against, the Company or its servants or agents which may be caused by the Boat or any Vehicle or by the Owner, the Owner's servants, agents, crew, guests, or sub-contractors except to the extent that such loss, damage, costs, claims or proceedings may be caused by an act or omission of the Company or those for whom the Company is responsible. The Owner further agrees to indemnify the Company against any and all reasonable costs of enforcing its rights under these Terms and Conditions, including (but not limited to) the cost of letters and telephone calls and costs (including legal costs) payable to third parties.

21.2 Notwithstanding anything to the contrary in the Licence Agreement the Company shall not be liable to the Owner or any third party by

reason of any representation or implied warranty condition or other term or any duty at common law or under any express term of the Licence Agreement for any consequential loss or claim (whether for loss of profit enjoyment or use of the Boat or otherwise whether occasioned by negligence of the Company or its employees, agents, sub-contractors or otherwise) arising out of, or in connection with any act or omission of the Company relating to the provision of the Services and/or the use of the Marina or its facilities, including but not limited to the boatyard, drystack, pontoons, slipways, refuelling pontoons and car parks.

21.3 All persons using any part of the Marina or facilities provided thereon for whatever purpose and whether by invitation or otherwise do so at their own risk and the Company shall not be liable for any loss or damage occasioned thereby (save in the case of death or personal injury caused by or resulting from any negligent act or omission of the Company or those for whom it is responsible).

21.4 The Company shall not be liable for the loss, theft or any other damage of whatsoever nature caused to any Boat or Vehicle or other property (whether insured or not) belonging to the Owner or others claiming through him except to the extent that such loss, theft, or damage may be caused by an act or omission of the Company, its employees or agents. Owners are advised to remove all valuables from the Marina.

21.5 Where access to and from the Marina is via a lock gate, swing or lift bridge or other restriction, the Company shall not be liable for loss, damage or costs of whatsoever nature suffered by the Owner as a result of the lock gate, swing or lift bridge or other restriction being inoperative except to the extent that such inoperation is caused by any negligent act or omission of the Company, its employees or agents.

21.6 No warranty or representation is expressed or implied by the Company of the suitability of the Berth for the Boat or of any berth structure gear or other facility provided under the Terms of the Licence Agreement by the Company.

21.7 The Company shall not be liable for any loss or damage caused by any event or

circumstance beyond its reasonable control (such as extreme weather conditions, the actions of third parties not employed by it or any defect in any part of a customer or of any Craft).

21.8 The Company shall take all reasonable steps to maintain security at the Marina, and to maintain the facilities at the Marina in reasonably good working order. Subject to this, and in the absence of negligence or breach of duty on the part of the Company, Boats, Vehicles, gear, equipment or other property is left at the Marina at the Owner's own risk.

21.9 The Company shall not be under any duty to salvage or preserve an Owner's Boat or other property arising from any defect in the Boat or property concerned unless it has been expressly engaged to do so by the Owner on commercial terms. The Company shall further not be under any duty to salvage or preserve an Owner's Boat or other property from the consequences of an accident for which the Company is not responsible. However the Company reserves the right to do so in any appropriate circumstances, particularly where a risk is posed to the safety of people, property or the environment. Where it does so it shall be entitled to charge the Owner concerned on a normal commercial charging basis and, where appropriate, to claim a salvage reward.

21.10 If the Owner requests the Company to launch the Boat in the Owner's absence it is the Owner's responsibility to ensure that the Boat is watertight and all hull openings inspected and closed prior to the planned date of launch. The Company will not accept any liability for the watertight integrity or otherwise of the Boat upon launch.
